

Product Return Form

Let's make it a dog help dog world

All blood products that have been ordered and dispatched are non-returnable, unless damaged on arrival or pick up. If a product is found to be damaged in transit, please notify us within 24 hours of receiving your order. After notifying us please then complete this form and return the damaged product to SaBB for investigation.

Please return the blood product with the original packaging as the same condition as received.
